

Space Passive Components Days 4th edition

“SPCD 2022 at a Glance”

11 - 14 October 2022
ESA \ ESTEC
Noordwijk, Netherlands

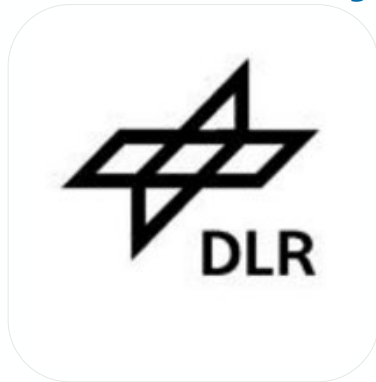

238 participants!

SPCD

SPACE PASSIVE COMPONENT DAYS
SPCD 2022

Jointly organized by

Co-sponsored by

Aim of the SPCD Conference

The SPCD international Symposium is the premier technical conference dedicated to Passive components for space applications.

EEE passive components for space applications

Capacitors & Supercapacitors

Power dividers & Couplers

Connectors & Interconnections

Cable assemblies & Harness

Relays & Switches

Resistors

Fuses

Circulators & Isolators

RF switches & Phase shifters

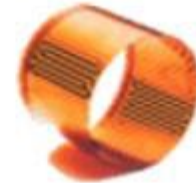

Loads & Attenuators

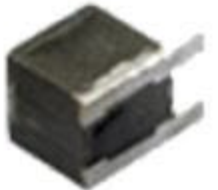

SAW devices (SAW Filters, etc.)

Crystals & Oscillators

Heaters & Thermal Sensors

Magnetics

Aim Of SPCD Symposium

- ❑ promote the discussion of recent developments and trends
- ❑ encourage the exchange of technical expertise
- ❑ share information covering a broad range of EEE passive components for space applications

SPCD Events

The SPCD international Symposium is held **every two years!**

SPCD	Date	Participants	Countries	Type
1 st edition	24 -26 September 2013	212	21	Live
2 nd edition	12- 14 October 2016	221	19	Live
3 rd edition	9 – 12 October 2018	235	23	Live
	13 -16 October 2020	Event postponed due to the pandemic situation		
4 th edition	11- 14 October 2022	239	21	Live

29 Exhibitors at SPCD 2022

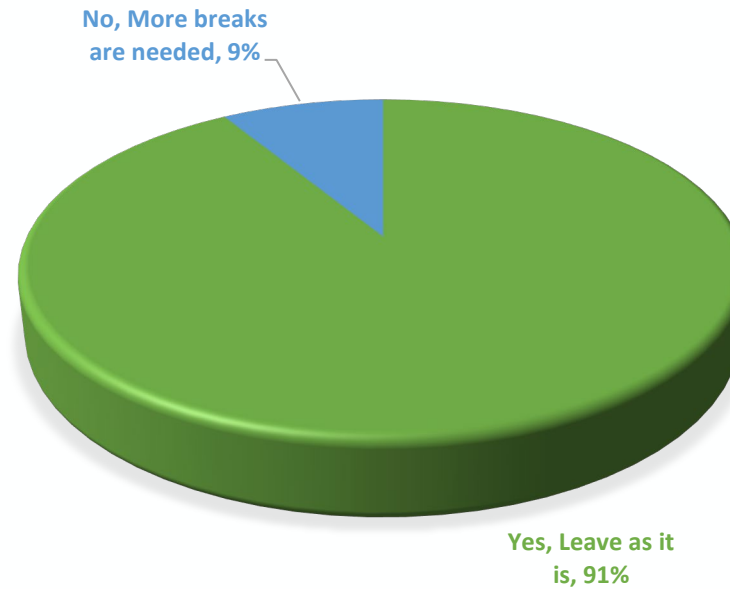

FEEDBACK FROM 4th SPCD ATTENDEES

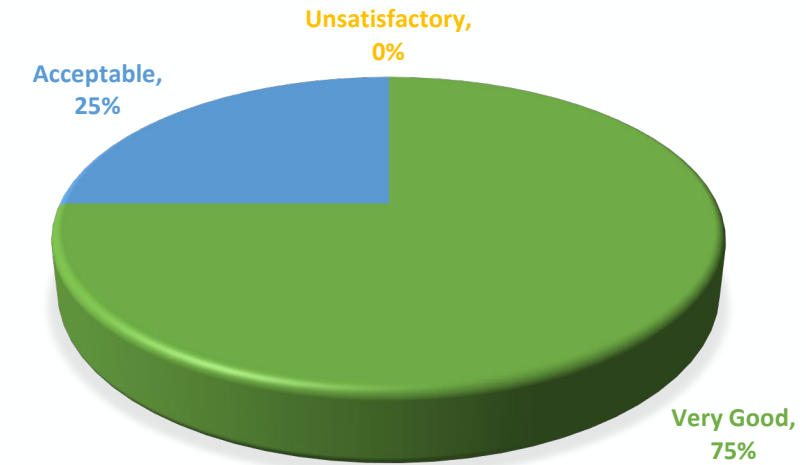

Q1-HOW WOULD YOU RATE THE GENERAL STRUCTURE OF THE PROGRAMME FOR THIS SPCD EDITION?

Q2-DID THE SPCD 2022 PROGRAMME LEAVE ENOUGH TIME FOR NETWORKING OR WAS THE PROGRAMME TOO DENSE?

Q3-HOW WOULD YOU RATE THE QUALITY OF THE PAPERS PRESENTED AT THE SPACE PASSIVE?

“Another great event! Congratulations to Léo, Joaquin, and the whole team for all the effort - and for always making the gala dinner night (and other events) unforgettable!” N.K Axon

“Great event !!! It was nice to see known and new faces after four years. Thanks a lot for excellent organization” EPCI

“Thank to all organaizers team and all presenters. It was exciting session” S. L. Vzlu

“Always an outstanding event (networking, good talks, music and fun).” BZ Schurter

“great event - thank you!” Airborn

“Thank you for having organizing this event. Congratulations, it was nicely done.” JL. C. TAS

“Thank you for this great event.” C&K

“Great seminar with interesting presentation and good specialized audience.” N.D. Exxelia

“I was satisfied because there were many interesting topics. I will attend next time.” JAXA

“We really feel a positive and constructive atmosphere during the event.” M.D Exxelia

“A big five to the organisation. We have been received like princes :)”
M.B. TAS

4th SPCD Programme

Pre-conference Event:

11 October 2022

- ESCC training course
- EEE Passive Seminar by EPCI/ALTER/SERMA
- ESA Site Tour: Test Centre & Electrical Lab + Space Expo Museum

SPCD Conference :

12-14 October 2022

- Oral presentations
- Dedicated Poster session
- Technical Introduction of Components (TICs)
- Interactive Panel session
- Private Roadmap session
- Industrial Exhibition (max 30 booths)

Social Events

Welcome Drink

Wednesday 12 October 2022 @18h00

Refreshments and Snacks will be served.

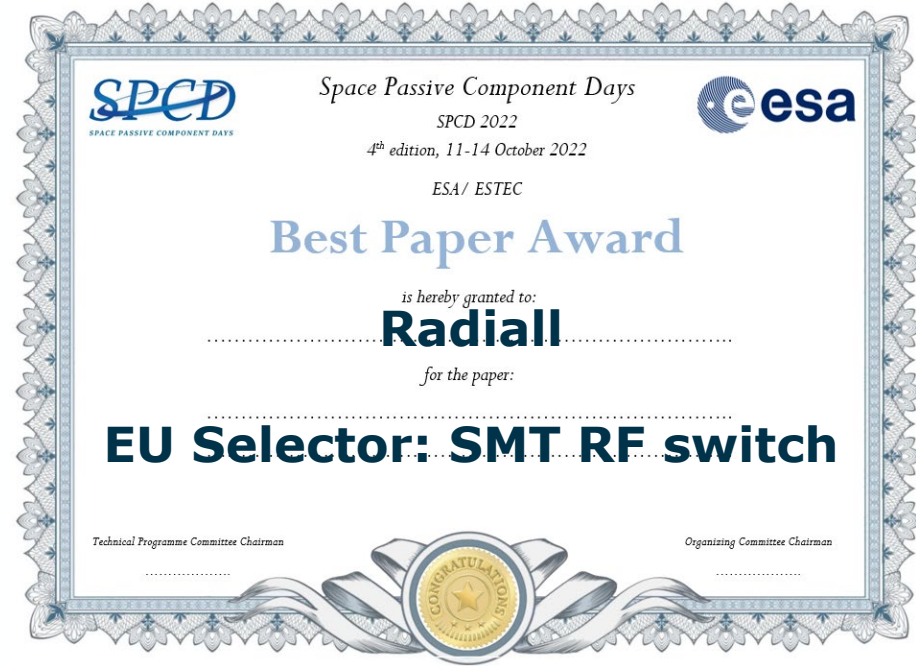

Gala Dinner

Thursday 13 October 2022 @19h30

The aperitif will start as of 19:30, followed by a seated dinner

Best Paper Award

Apple iPhone 13
256GB Space Gray

Best Poster Award

Apple iPad Air 2022

256 GB Wifi + 5G

Recognition Award

European Space Agency

14th October 2022

Recognition Award

Presented to

**Mrs. Laurence
Cosqueric**

*EEE Parts Engineer and Passive Parts expert
at Airbus Defence and Space,
for 30 years of Distinguished Service and
Valuable Contribution to the space Community.*

SPCD Space Fun Challenge: Enigma to solve!

I can orbit
But not around the sun

I don't fly
But for a ride, I can be fun

You don't have to pay
As I cost none

Around Estec, I am the only one!

How Can You Participate in SPCD?

- As a Presenter:

Present a technical paper or a poster by submitting an abstract and choosing your presentation preference.

[Abstract Submission](#)

- As a Commercial Presenter:

Give a commercial presentation by submitting a Technical Introduction of Components (TICs).

[TIC Submission](#)

- As a Roadmap Presenter:

Present your company's roadmap to purchasing and supply managers only.

[Roadmap Presentation Submission](#)

- As an Exhibitor:

Exhibit by booking a booth and promoting your services and components.

[Apply to Exhibit](#)

- As a Sponsor:

Provide your company with greater visibility by choosing one of the sponsorship packages.

[Apply to Sponsor](#)

- As a Participant:

Register to the conference and take advantage from the conference presentations, exhibition, networking breaks, welcome drink and the Gala dinner.
